

The Kiwanis Club of Northside Knoxville, Inc. and its associated Student Fund announce the availability of grants based on an individual's service to the community.

These grants are available to any Knox County resident who is or is planning on being enrolled in an accredited institute of higher learning in the coming year, and who has not previously received a scholarship or grant from any Kiwanis-affiliated organization.

Submission as a recommendation from a third party is acceptable. Submissions must be made before March 31.

The number and amount(s) of these grants is to be determined solely by the Selection Committee designated by the Northside Student Fund. For 2019, the Student Fund will award up to four grants in the amount of at least \$1000.00 each.

Notification of selection will be made before the end of the Knox County school year.

Distribution will be made directly to the recipient upon receipt of proof of registration for the Fall term of the current year (not just acceptance).

Questions may be addressed via e-mail to studentfund@northside-kiwanis.us.

The information sheet and accompanying documents may be similarly addressed, or mailed to the address above. No acknowledgment will be provided.
